# JOIN the Westowne Elementary School PTA!

We are a group of parents, teachers, grandparents and community members who support Westowne Elementary School together.

**ANYONE** can join the PTA: parents, grandparents, aunts, uncles, close friends, neighbors, community members, etc. **ANYONE** who has an interest in making your child's potential a reality can join the PTA and make it possible. Your annual membership is the first step to participate in the PTA's cause: supporting the school community, including the faculty, staff, families and most of all, students. We depend on members' time, skills, and donations. The more members, the more we can help our school.
